

St. Patrick's 200 Club

Unlike state schools, as a Catholic school, we have to find a 10% contribution for any work we carry out around school, a small price for being able to offer the added dimension of the Catholic faith! The 200 Club exists to provide funding for our school to help with these contributions.

To buy a number costs just £1 per week, paid quarterly. Every 13 weeks there is a club draw with the following prizes:

1st prize £1000

2nd prize £250

3rd prize £100

4th prize £50

The extra money is used to support the school, so we all benefit!

Currently less than 20 numbers remain, thanks to the generosity of our parents in joining the club. Would you be able to commit to £13 every quarter? Would you love to stand a chance of winning £1000? If so, act without delay. Standing order mandate forms are available from and returned to Mrs Hughes.

Thank you for your support and to the current members for their continued support.

N Hughes

Please send me a bank mandate form for the 200 Club.
