Our Topics for the Autumn Term

We are really looking forward to learning about our topics during the next term. Our Science questions to investigate are ‘How can I be the next Jessica Ennis or Steven Gerrard?’ and ‘Why would a dinosaur not make a good pet?’

In Geography we are asking the question - Where in the world? We will be using maps and globes to learn about continents and oceans.

In Art and DT we are going to plan, make and evaluate our own vehicles!

In History we are excited to learn about the toys our grandparents would have played with.

Colective Worship

You are invited to join us in our class for a collective worship session on Friday 6th November at 14:45pm. We would love you to join us in prayer and welcome you to enjoy refreshments in the library afterwards.

Christmas Dates

Our Christmas Play will be performed at 2pm and 5pm on Tuesday 8th December (tickets to follow) and we will have our party on the afternoon of Tuesday 15th December 2015.

Thank you for taking the time to read our class newsletter.
