Literacy:

This term, to support our topic, we will be studying, *Chinmey Child: A Victorian Story* by Laurie Sheehan. We will be using this as a stimulus to encourage ourselves to write creatively and continue to develop our Literacy skills.

Numeracy:

We are focussing on our arithmetic skills this term, looking at formal methods of addition, subtraction, multiplication and division. By the end of Year 3, all children should know their 2, 3, 4, 5, 8 and 10 times tables, therefore we will be working very hard on these!

RE:

Our theme is the Universal Church- World: Special places. We will be looking at Special places for Jesus and the Christian community.

The children have been a pleasure to teach and have worked very well this year- well done Year 3!
