

## Sports Funding 2018

St Patrick's Sports Premium Financial Report 2018/2019 - £18,294

How the money will be spent under each key indicator.	Amount	Targeted pupils	Impact on pupils (actual or expected)	Sustainability/what next?
1. The engagement of all pupils in regular physical activity - kick starting healthy lifestyles.				
Register to Stockton School Sports Partnership (platinum)  - Change for life club resources and delivery.	£4000	All Y3 children, Older children not engaged in regular physical activity.	More than 70% of school children in Y3 and above are involved in at least 1 after school club per week.	The Y3 children will be motivated to participate in more after school clubs/physical activities in the future.
Healthy Living Day - infant and junior - World Cup	£1,100 £350	Whole School	Children will be inspired to live a healthy lifestyle.  Staff to be taught new skills in how to deliver sessions so P.E sessions will be better in future.	Children have an increased knowledge on a healthy lifestyle carried forward throughout their time in school.  Staff have a greater knowledge of how to deliver healthy eating sessions in P.E. sessions in the future.

<p>Range of chances throughout school to develop sporting activities. - Marines</p>			<p>Children are aware of different sporting experiences.</p> <p>They now understand how they can learn whilst staying active.</p>	<p>Teachers to be able to use knowledge of outdoor classroom activities in their own planning. Meaning that lessons in school are becoming more active not just P.E.</p>
---	--	--	---	--

2. The profile of PE and sport being raised across the school as a tool for whole school improvement.

<p>Healthy Living day (world cup special)</p>		<p>Whole school</p>	<p>The children have enjoyed Healthy Living day and it is hoped teachers will use this to inspire children in other areas of the curriculum. E.g. writing and science.</p> <p>World cup themed teaching throughout whole of summer term.</p>	<p>From healthy living day children will develop social skills which will help them improve in other areas of the curriculum.</p> <p>Staff now aware of how to include P.E throughout</p>
---	--	---------------------	--	---

<p>Stockton School Sports Partnership INSET - Active Schools</p> <p>Steps 2 Summit</p>	<p>£1,200</p>	<p>Whole School</p>	<p>Staff have ideas for how to include activities to stay active throughout the day.</p> <p>Children's attitude towards a healthy lifestyle has changed for the better as they see impact of Daily mile.</p>	<p>Children are more active throughout the school day.</p> <p>Steps 2 Summit giving children a focused goal throughout their school life.</p>
<p>Sports Council rewards.</p>	<p>£1,000</p>	<p>Sports Councilors.</p>	<p>As sports councilors will have a larger impact on school life, the profile of P.E will be raised throughout school.</p> <p>Sports Councilors to achieve setting the PACE certificates.</p>	<p>Y5 children to become sports councilors to increase knowledge in following years.</p> <p>Children to become Sports leaders in secondary school.</p>
<p>3. Increased confidence, knowledge and skills of all staff in teaching PE and Sport.</p>				

Specialist teachers delivering sessions in new areas.		Identified year groups.  Whole School - dance, Outdoor activities (marines)	These are the areas of the curriculum staff identified as areas with most concern.  With specialist coaches delivering sessions both in and outside of school children will be given best possible chance to make most of their ability.	The school teachers will be confident at delivering sessions in areas they found less so in past.
P.E planning subscription.	£130	Whole School.	Through P.E. planning the school is now consistent in the delivery of P.E. and in the planning.	By using a scheme the progression year on year will be apparent.
4. Broader experience of a range of sports and activities offered to all pupils.				
Marine's day within school.	£1850	Whole School	Children had chance to see	Children who want to follow army career path now have links to this. Children are aware of hard work needed.  Club links day have led to interest from some children into new areas.

Club links day as part of Sports Partnership		Targeted inactive children.		Relationships developed with nearby local sporting organisations where children will be looking to visit and help provided in future.  Steps 2 Summit helped embed the daily mile within school.
Steps Summit 2		All children.	Children have experienced problem solving skills in a range of outdoor activities, children have a focused goal to reach throughout the school year.	

#### 5. Increased participation in competitive sports.

Coaches to transport children to and from sporting events.	£3000	All Children.	Children to be given the chance to further develop their sporting skills in competition against other schools in a competitive environment.	Children who enjoy competitive sports aspect will take up the sport outside of school.  Children will not miss the chance to show skills due to lack of transport.
Release of teacher from lessons	£5000	All Children	Release time for staff members with understanding of sporting events attended.	Children to gain most benefit from having these staff members there ensuring biggest success.

Booster Swimming Sessions	£310	Targeted children
