Don't forget you can upload any pictures of activities your child has done onto Tapestry; I would love to see them!

At this point in the year we are encouraging the children to become independent writers. Help them to sound out the word that they are writing and prompt them, if needed, with what sound comes next.

Children can then use their sounds to play games on Phonics Play see below.

Coronavirus Update

As a result of the U.K. government decision to formally close schools, we have decided to make PhonicsPlay free to use during this period. Children can use the site at home without their parents needing to subscribe. To access our resources all you need to do is log on using the following details:

Username: **march20** Password: **home**

We are currently very close to completing a new version of the PhonicsPlay site that is accessible on all phones and tablets. We will therefore also ensure that it is possible for users to freely access this new version of the site (with apologies in advance for any areas of the site that are not yet fully finished or double checked). The site can be accessed here: new.phonicsplay.co.uk.

Our aim to ensure that existing subscribers aren't disadvantaged and will seek to make sure that after the school closures are over and the site returns to normal, that existing subscribers have additional time added to their subscription.

If you haven't already discovered www.phonicsplaycomics.co.uk you may also find these free decodable comics useful at a time when you can't physically exchange your children's decodable reading books.

We wish you good health and all the very best at this stressful time.

Keep an eye out on our Facebook page for daily challenges! Below are some links you might find useful for keeping your family active, creative and having fun!

During this time, we would encourage our families to continue praying together. Below are our daily prayers and an idea of when to use them.

Morning prayer:

Jesus, friend of little children; at the start of this new day, be Thou my guide and helper in my work and in my play.

Grace before and after meals:

Bless us, Oh Lord as we sit together. Bless the food we eat today. Bless the hands that make the food. Bless us, oh Lord. Amen.

Thank you, God for the food we have eaten. Thank you, God for all our friends. Thank you, God for everything. Thank you, God. Amen.

Evening prayer: *Oh my God, I've come to say: Thank you for your love today. Thank you for my family and all the friends you gave to me. Guard me in the dark of night. And in the morning, send your light. Amen.*

Additional prayers you might find comforting during this difficult time:
