

We are a Christian community where love, care and support are reflected in everything we do together. During these uncertain times, we would like to support you as much as possible and provide reassurance that together, we can get through this. This timetable has been devised as a guide for you and your families to try and maintain some normality. It is not compulsory and we understand that not every day will be easy. We are here for you all and if you have any questions, please do not hesitate to email your child's class teacher using the emails provided in the original learning pack.

God bless, and stay safe.

Some extra activities to keep you busy!

- ✓ There is a two-week **YEAR 5 RESEARCH PROJECT** on our Class Page – make sure to have a look at it!
- ✓ Science based work – [this website](#) provides you with worksheets to look at materials and their properties, changing states (melting and freezing). Try to complete some of the activities or get creative and try to create your own observations or sensible experiments at home – remember to ALWAYS ask your parents' permission first!
- ✓ Inspired by the SpaceX launch earlier last week, why not [read this information book and complete the activities](#) in the booklet too!

What's going on this week:

- It is **Food Safety Week** (4th June – 10th June) This is an annual event held to promote the importance of good food hygiene in the home. Watch videos on how to prepare food safely. If you have a kitchen, make a delicious piece of food from scratch, following correct safety measures.
- It is also **Bike Week** (6th June – 14th June) This is an annual opportunity to promote cycling and show how cycling can easily be part of everyday life. Social media is also used to raise awareness, with the campaign *#7daysofcycling* being used this year to encourage people to get out and about on their bikes every day during Bike Week. Last year, 5,000 people took part in Bike Week! You can [download this lesson pack from Twinkl](#).
- Monday 8th June – **World Oceans Day**, on this day, people around the World celebrate and honour the ocean, which connects us all. [Download this poster resource pack from Twinkl](#).

During this time, we would encourage our families to continue praying together. Below are our daily prayers and an idea of when to use them.

Morning prayer:

Jesus, friend of little children; at the start of this new day, be Thou my guide and helper in my work and in my play.

Grace before and after meals:

Bless us, Oh Lord as we sit together. Bless the food we eat today. Bless the hands that make the food. Bless us, oh Lord. Amen.

Thank you, God for the food we have eaten. Thank you, God for all our friends. Thank you, God for everything. Thank you, God. Amen.

Evening prayer:

Oh my God, I've come to say: Thank you for your love today. Thank you for my family and all the friends you gave to me. Guard me in the dark of night. And in the morning, send your light. Amen.
