English	<p>https://www.youtube.com/watch?v=xGFzpb8wl1E</p> <p>Listen to the story again. Which is your favourite part? Why do you think the brick house stayed up?</p> <p>Draw the three houses that the pigs built. Can you draw them in the correct order that they appear in the story?</p> <p>The spelling of the labels does not have to be perfect, as long as they have a go at sounding out.</p> <p>Extra challenge: If your child is confident in sounding words out, see if they could write a</p>	<p>Today we are thinking about action words. When we move into year one we will learn that these are called verbs. Today I would like you to think of all of the things you are good at. And write them in a sentence starting I can...</p> <p>For example: I can jump. I can swim. Try to remember to put a full stop at the end of your sentence.</p>	<p>Tomorrow we are going to create a wanted poster for the big bad wolf so that we can try to catch him.</p> <p>Today I want you to practise drawing a wolf, following the instructions on this video:</p> <p>Rob Hodgson: How To Draw The Wolf - YouTube</p> <p>This is a different wolf than the one in our story, but a bad one still! While you draw, you can think of some words that you would use to tell</p>	<p>Today we will be making our wanted posters.</p> <p>If you'd like to make your paper look really old, you can dab a damp teabag over the paper and leave it to dry.</p> <p>Stick your picture of your wolf on your paper and try writing some words (or sentences if you'd like a challenge!) all about the wolf.</p> <p>For example: He is mean. He is big.</p>	<p>Super Power Words: video 1: the (tricky words) - YouTube</p> <p>Today we are learning the red word 'the'. Watch the video and join in with Mr Mc.</p> <p>Now go on a red word hunt around your house. How many times can you spot the word 'the'?</p>

	short caption under each picture. E.g. The straw house.	Once you have written the sentences, try practising each action!	someone all about the wolf.		
M a t h s	<p>Watch and join in with our White Rose Maths scheme that we do in school.</p> <p>Session 1: Alive in 5! - Week 1 White Rose Maths</p> <p>Now complete the activity for session 1.</p> <p>Extra challenge: Copy and complete the take away number sentence: $5 - 1 =$</p>	<p>Watch and join in with our White Rose Maths scheme that we do in school.</p> <p>Session 2: Alive in 5! - Week 1 White Rose Maths</p> <p>Now complete the activity for session2.</p> <p>Extra challenge: Draw round your hand and label the five fingers 1-5.</p>	<p>Watch and join in with our White Rose Maths scheme that we do in school.</p> <p>Session 3: Alive in 5! - Week 1 White Rose Maths</p> <p>Now complete the activity for session 3.</p> <p>Extra challenge: write the numbers 1 to five on squares of paper. Place these in your hoop and try to land your objects on each one in the correct order.</p>	<p>Watch and join in with our White Rose Maths scheme that we do in school.</p> <p>Session 4: Alive in 5! - Week 1 White Rose Maths</p> <p>Now complete the activity for session 4. If you don't have a printer, your own pictures will be fab too.</p>	<p>Watch and join in with our White Rose Maths scheme that we do in school.</p> <p>Session 5: Alive in 5! - Week 1 White Rose Maths</p> <p>Now complete the activity for session 5 and have fun playing picnics.</p>
	Below are some ideas for other activities that your child might like to do. If there are specific tasks or crafts we will be doing in school, we will let you know via tapestry.				
O t h e r	<p>Keeping active: Joe Wicks Pe sessions: Mon, Wed, Fri (Youtube) Cosmic Kids Yoga (Youtube) Make an obstacle course (Don't forget to tidy away afterwards!)</p>	<p>Creative: Draw with Rob (Youtube) Make a bird feeder and draw the virds that come to visit Find kid-friendly recipes and bake</p>	<p>Reading: So many children's authors are sharing their books online! One fab website with so many literacy based activities, live storytimes etc. is The Booktrust</p>	<p>Maths: Numberblocks and numberjacks are a great way for the children to stay occupied whilst learning number recognition and problem solving.</p>	<p>Mindfulness and calm: Colouring in, reading quietly, jigsaws, role play games, building with lego, playdough etc. can all be good for allowing your child some quiet, reflective</p>

<p>Build a den (again, tidy up!) Tackle an indoor adventure Globe-trotting adventurer Bear Grylls – the UK’s youngest ever Chief Scout – teamed up with Scouts UK to launch The Great Indoors initiative, a collection of more than 100 activities that children can tackle indoors. It’s packed with creative ideas, from constructing a telescope to designing a football shirt or learning macramé. More fun ideas can be found here: 49 fun physical activities to do with kids aged 2 to 4 - Active For Life</p>	<p>Make saltdough and ask your children to make you an ornament</p>	<p>Have some fun BookTrust</p> <p>Mr Mc Phonics is a great addition to the phonics we do in school and is super fun for the children! (Youtube) Alphablocks (Cbeebies) is a fun programme for the children to watch and practise sounding out and blending.</p>	<p>BBC Home Learning may have additional activities if you wanted your child to have a go.</p> <p>Topmarks has some fab maths-based games</p>	<p>time and for supporting them with their emotions.</p>
