Dear Parent/Carer,

As another school year draws to a close, I am writing to thank you for your continued support.

We have all faced many challenges this year, including lockdowns and self-isolation periods, forcing us all to work in new ways. Your messages and gifts of appreciation are warmly appreciated and confirm the strong bond and relationship we share as coeducates.

After recent changes to Covid restrictions, we will be making some changes to arrangements for the new school year. The table attached should provide you with the information you require. The main points being that we will open the gates at 08:45 and the children will enter school as they do now. Home time will revert to all classes leaving at 15:15 but please see the table for collection points. We will send siblings out with the youngest member of the family and collection points will be clearly marked with a cone in the cordoned off part of the car park adjacent to the Parish Centre.

If we are forced to change these arrangements, I will of course inform you as soon as I can.

I wish you and your family a wonderful summer and I sincerely hope you find some time together to relax.

May Christ be seen in us.

Best wishes,

Mr S. Williams
