

RRS Newsletter

Autumn 1 - 2021

Our Steering group, for our Rights Respecting School, has been chosen for this new academic year - we have had many children wanting to make a difference in our school and further afield.

Y3 - Phoebe, Henry

Y4 - Emily, Ava

Y4/5 - Leilani, Emily

Y5 - George, Zac

Y6 - Freddy, Elen, Lydia, Fergus

Well done to you all! We are looking forward to learning more about our 'rights' and spreading our 'rights knowledge' to the local community.

Right of the Month:

"Every child has the right to learn and use the language, customs and religion of their family whether or not these are shared by the majority of the people in the country where they live." (Article 30)

Day of Languages 26th September 2021

As a school, we study French as a Modern Foreign Language in KS2. However, we know that we have so many children in our school and local community that speak other languages! Our RRS ambassadors wanted to show our diversity and uniqueness so they asked people within their classes to share their language with their peers.

Year 3 signed a song in BSL.

Year 4 were learning about Roman numerals because their topic is Bronze age and the Romans!

Year 4/5 also looked at Roman numerals as it was connected to their topic. They also learnt a variety of Latin words!

Year 5 had people from class come up and tell us about a language that was important to them, we had PPTs or used the whiteboard. For example: Henry and Archer - Mandarin; Freddy - BSL; Victoria - Polish!

Year 6 had a go at using BSL in their classroom!

Hello Yellow Day

We were learning about our **mental health** and how important it is to look after it.

Mr Duffy has created a display in his room with all the things that Y4 are good at and enjoy.

Y6 made superheroes using things that they are good at. Y4/5 wrote about their worries and things they are good at. Y5 made buckets to put worries into and around it we looked at things that could make us feel better.
